PARIS, BOURBON COUNTY, KENTUCKY, FRIDAY, APRIL 26, 1918

IN THE SERVICE OF THEIR COUNTRY.

Lieut. James Miller, of Camp Zachary Taylor, who will probably leave soon for service in France, was a recent guest of relatives in Millersburg. Mr. Allen Ingels, of the same camp, came up Wednesday, on a furlough, to make a short visit at his old home in Millersburg. He is a member of the Bourbon county contingent with the Dr. Barrow Base Hospital Unit No. 40 at Camp Taylor. Thos. Gilmore, who has been on a visit to his parents at Millersburg, has returned to Camp Taylor. Allen Mason and Wadell Beeding, of Millersburg, have received orders to report to Camp Taylor, on Sunday.

Lieut. Lawrence Lavin, of Paris, who recently returned to his duties at Camp Sherman, in Ohio, after a visit to his parents, Mr. and Mrs. M. J. Lavin, in this city, has been transferred to Camp Gordon, in Georgia.

Capt. Davis Hutchcraft, who is a member of the Officers' Reserve Corps, in one of the training camps in Florida, is here with his wife, on a visit to his mother, Mrs. J. Perry Hutchcraft, and family. Capt. Hutchcraft recently took part in what is considered the record hike for recruits, when he was a member of a party which made the journey of over thirty-four miles from eight in the morning to ten in the evening, with a stop of two hours for dinner.

Mr. Frank Higgins, of Paris, who was one of the first to go from this county to Camp Taylor, has been in the Base Hospital at the camp for some time, suffering from an affection. His improvement has been very slight, but encouraging.

The Mt. Sterling Advocate says: "Owen Gibson, of Paris, a nephew of Mr. Robert I. Settles, of this city, and himself a native and for many years a resident of Mt. Sterling, was among the four young men sent by the Bourbon County Draft Board to Indianapolis, Ind., for special training in mechanical lines. Mr. Gibson has been a rural mail carrier in the Paris postoffice for a number of years and resigned to take up the special work demanded by the military authorities. He has many friends here at his old home who will be

PRIVATE FEEBACK WOUNDED IN ACTION ON FRENCH BATTLEFRONT.

Mrs. Lou Feedback, of Millersburg, received a telegram yesterday from officials at Washington, stating that her son, Caleb W. Feedback, was slightly wounded in action on April 14th.

Private Feedback was a member of the infantry and serving his country in France. This is the first casualty to be reported of any of our Bourbon boys engaged in the world war.

interested to learn that he is in the service."

Mr. John (Pete) Cain, of Paris, received two letters Wednesday from his son, James Cain, who is a member of the American Expeditionary Force now in France. The letters were dated April 4th and 5th. In them the young soldier sold something of his experiences in the service. He stated that he was well, and had just come out of the trenches with a large detachment of the "boys." They had spent from fifteen to twenty days in the trenches. Cain said that aeroplanes were so numerous there that the soldiers had quit paying any attention to them, and that they flocked in droves like the automobiles in Paris (Ky.)

BOURBON DRAFTES FOR CAMP TAYLOR MONDAY.

On next Monday morning, April 29, at 7:45, thirty-eight young men from Bourbon county, white and colored, will assemble at the Tenth street passenger station of the Louisville & Nashville, in this city, where they will entrain for Camp Zachary Taylor, near Louisville. They will be in charge of one of their number, who will be designated as captain, and will be under his command until the camp is reached and they enter the service of the United States in the National Army.

The men will report at the court house at four o'clock Sunday afternoon, where they will receive their final instruction. They will be permitted to return to their homes or to remain at a designated place, according to their desires. On Monday morning they will form in line in front of the court house at 7:15 and march to the Tenth street passenger station of the Louisville and Nashville. They will receive gifts of toilet articles, tobacco, cigarettes, etc., from the fund raised by the people for that purpose.

Most of them will go gladly, but it will be an occasion of sadness to those registrants, their friends and relatives. In other places than Paris, similar occurrences have been made the occasion for patriotic demonstration. The soldier boys not only have been supplied with a variety of useful little presents, cigars, tobacco and cigarettes, but every effort has been made to send them away feeling that they are at least somebodies in war times, if they have never been before. They have been made to feel that their home people are proud of them and glad to know that they are determined to do their duty and serve their country faithfully and well.

Would it not be a good time for Paris to throw off its mask of coldness and at least simulate a regard for these boys? Wouldn't it be a good idea for everyone who can spare the time to go down to the L. & N. station Monday morning, take the boys by the hand, wish them Godspeed, and when the train pulls out give them a rousing cheer? It will cheer the drooping spirit of many a lad as he sees the old familiar scenes vanish from view, to remain so for who knows how long. It has been a matter of common remark that Paris is one of the "coldest" towns in Kentucky. Let's refute it Monday morning. Let's show these boys what we are. Let's try it on.

INCENDIARY FIRES IN BIG RAILROAD SHOPS.

Three fires breaking out simultaneously in the Lake Erie and Western shops, at Lima, Ohio, Wednesday night, had practically wiped out the \$500,000 plant and were still raging early yesterday morning. Water pressure was cut at some unknown point, while federal agents report that hose was cut in two places with a knife.

Ten to 14 locomotives urgently needed in war work, a new train of troop coaches, just completed, in the shops and many other coaches, as well as a score or more of box cars, were destroyed. Ten thousand dollars' worth of Liberty Bond subscriptions were burned in the office of the shops.

PROF. YERKES DEAD.

Mr. W. L. Yerkes, one of the best-known citizens of Paris, died last night at the home of his son, Mr. John Yerkes, on Pleasant street, after a short illness, superinduced by heart trouble.

Mr. Yerkes had been a prominent educator, having conducted a school for boys in Paris. He was Mayor of Paris one term, and was Bank Examiner for one term. He was a brother of Hon. Jno. W. Yerkes, of Danville. He is survived by one son, Mr. John Yerkes, two daughters, Mrs. Henry May, and Miss "Dot" Yerkes, and his wife, who is en route from California to this city. Mr. Yerkes had resided in Pasadena, California for some time, and had but lately returned to Paris.

"CLEAN UP DAYS."

Complying with a request from the Bourbon County Health and Welfare League, Friday and Saturday have been designated and set apart officially by Mayor E. B. Jenuary as "Clean-up-Days." All the housekeepers and property-owners in the city are asked and respectfully urged to make a special effort to observe these days by giving their premises a thorough cleaning up. Get all the old rubbish that has accumulated during the winter, and have it put out of the way.

Arrangements have been made whereby the services of a number of Boy Scouts can be secured by those desiring help in this clean up campaign. These boys can be called at the Y. M. C. A. by telephone. Their services can be secured at the rate of fifteen cents per hour. The city will provide carts and wagons for the purpose of hauling the dirt and rubbish away. This service will be gratis, but with the proviso that the trash is so placed as to be easily accessible to the wagons.

RESOLUTIONS PASSED BY CHAMBER OF COMMERCE OF THE U. S.

PUBLIC UTILITIES—MAINTENANCE.

WHEREAS, Under existing conditions there is naturally a growing tendency for governmental control of industries:

THEREFORE BE IT RESOLVED, That the Chamber of Commerce of the United States respectfully urges upon the various departments of the United States Government, and upon Congress, that measures or proposals which have for their object the control of industries be subjected to close scrutiny and examination, and that such proposals be adopted only where there is sufficient evidence indicating that the state of war makes such control more effective for the proper conduct of the war.

Public Utilities—Maintenance. WHEREAS, The maintenance of the country's public utilities in the highest possible state of efficiency is essential not only to the war program of the United States, but also to the nation's business, industrial and public interests; and

WHEREAS, Such efficiency depends upon the preservation of the credit of the companies providing public utility service; and

WHEREAS, The increase of costs and the unusually onerous conditions of operation brought about by war seriously threaten the ability of the public utilities to continue the furnishing of the necessary service they perform; and

WHEREAS, The protection of the credit of public utilities is very largely in the hands of regulatory commissions and other public authorities, rather than in the utilities themselves;

NOW, THEREFORE, BE IT RESOLVED, That the Chamber of Commerce of the United States recommends to State and local authorities that they recognize the unusual and onerous conditions with which public utilities are contending, and that in the interest of the nation, of business, and of the public, they give prompt and sympathetic hearing to the petitions of such utilities for assistance and relief. NAVAL RECRUITING PARTY TO VISIT PARIS.

Chief Gunners Mate Mannegold, United States Navy, in charge of the Naval Recruiting Station at Lexington, with his party, will visit Paris on May 3. The party will have headquarters at the court house, for the purpose of receiving and enlisting recruits for the United States Navy. Here is a splendid chance for some of the young men of Paris who have not yet volunteered to help their country, to get into the service.

THE LIBERTY CHORUS.

Members of the recently-organized Liberty or Community Chorus and those desiring to become members are requested to meet at the court house each Monday evening. The first meeting at the court house was held last Monday night.

SUSPECTS RELEASED ON PROVING THEIR IDENTITY.

Several suspects, taken in the police drag-net by Chief of Police Link, and brought to the county bastille for safe-keeping, have been released, they having proved their innocence of wrong-doing of any kind, or of conspiring in any way against the Government.

Charles Wagoner, who was brought in Monday on suspicion, produced proof that he was a discharged soldier from the American army. While in Paris, France, American soldiers were called on to put down a street riot. Wagoner received a bullet wound in the back, which gained him a release and an honorable discharge from the service. He had been in the army twelve years. A telegram Wednesday to Chief of Police Link from Col. Scott, in command at Camp Sevier, at Greenville, South Carolina, confirmed Wagoner's statements. He was released.

C. C. Manning, another suspect, who has been in duress since several days, was released, his freedom being guaranteed by receipt of a letter from Bellingham, Washington. The letter contained a cancelled check for \$35 in part payment for a United States Liberty Bond. The check was countersigned by E. D. Stanley, paymaster in the United States Navy. Papers were also produced by the Washington authorities showing that Manning had been a member of the crew of the U. S. S. "Pueblo" in Pacific waters. Manning claimed that he had been honorably discharged, due to prolonged illness, and that he had drifted as far as Paris, endeavoring to make his way back to his home in Bellingham. He was released.

Jesse South, his wife and two sons, arrested on suspicion, were also discharged from custody. South claimed that they had spent the winter in Florida and were on their way back to their old home in Charleston, West Virginia. They were permitted to continue on their way.

When placed under arrest South and his family were camping on the roadside at Stony Point, this county. They had two autos, a sleeping tent and a cooking outfit. Investigation developed that the woman was selling fine laces in Paris and parts of the county. In visiting the home where she made the sales Mrs. South stated to housekeepers that she was endeavoring to raise enough money to pay the custom duties on the laces which were imported Irish variety. They were compelled to refund a large portion of the money thus obtained to the people in Paris, who had purchased from them, and were released from custody.

KNIGHTS OF COLUMBUS MAKING BIG DRIVE.

The committees and solicitors representing the Bourbon county contingent in the big drive by the Knights of Columbus have made rapid progress this week in their campaign. The apportionment for the county in the ten million dollar drive for the aid of the soldiers and sailors is \$1,000, which sum will be raised before Saturday night, according to the members of the committee.

The big campaign is of a non-sectarian character, and is for the purpose of aiding the soldiers in camp in this country and abroad in the trenches and on the firing line, and is being participated in by all peoples regardless of their religious belief. The Catholic people of this city and county have given a whole-hearted and generous support to the Y. M. C. A. and other campaigns, and now their friends of all denominations are going to help them "go over the top," which they will assuredly do without fail. Read their big display advertisement in this issue of THE NEWS.

A meeting of the committees and solicitors was held last night, presided over by Prof. E. M. Costello, Chairman. Reports were made of the progress of the campaign, which indicated that everything was going well, and that the money paid in and good pledges obtained fully assured the workers of the success of the campaign. The returns were being tabulated as we went to press last night. To the workers THE NEWS says, in all sincerity, "Over the top, and the best of luck to you!"

LIGHTLESS NIGHTS SUSPENDED

Mr. James H. Thompson, Federal Fuel Administrator for Bourbon county, is in receipt of the following letter from State Fuel Administrator Wiley B. Bryan, of Louisville, in which the suspension of the order for lightless nights is indicated. The letter, which is self-explanatory, follows:

"Mr. Jas. H. Thompson, Paris, Ky., "Dear Sir:—The 'Lightless Night' order in effect since December 15, 1917, at the urgent request of the Liberty Loan Committee has been temporarily suspended by Dr. Garfield, beginning next Thursday night, April 25th.

"Due to the late hour of lighting brought about by the daylight saving bill, the order will remain suspended until September 1, at which time it will again become effective.

"Trusting this matter will be given the necessary publicity, I remain,

"Yours very truly,
"WILEY B. BRYAN,

A Plea For The Telephone Girl.

In recent years the great public service corporations have taken new departures in that they demand of their employees that in all their relations to the public uniform courtesy and politeness shall prevail. The result has been that a higher state of efficiency has been attained in all the departments of public utilities, and what is more, the individual with a grouchy, they whose chief interest in life has been to find fault with everything and with everybody with whom they have no personal concern, has found his field rapidly narrowing.

It is more often than not the case, however, that a certain portion of the public shows a scant courtesy where it demands and desires much. Take for instance, the telephone service, which is the anathema of a portion of mankind, whether it deserves it or not. As is known, the telephone operators are of the gentle sex. They are required to be polite to the public at all times, or at least are expected to be, under all circumstances. It seems that a telephone girl must take discourtesies from a ruffian or a boor without reply.

A portion of the public is impatient with the telephone girl, for the most part because she is invisible, and again, because of conditions over which she has no control, such as a neglectful subscriber who fails to answer his telephone when called. In a case of this sort the telephone operator is absolutely blameless, yet we have heard individuals berate "central" and later report her to the chief operator or the manager (yes, even here in Paris, Ky.) because they "couldn't get an answer." In some cases it happens that a man is out of his office when his telephone number is called, yet the unfortunate operator is blamed for this, too.

Telephone users should at all times extend that courtesy and politeness which they demand of those who serve them. Life at best is not a rosy one for telephone girls, as a visit to any exchange will readily show. She is human, toiling for a living for a sum that no man would accept for the same service, and she is surely deserving of consideration and kindness at the hands of the public.

Guess We'll See It!

A total eclipse of the sun which will occur June 8, 1918, will be the largest and most important of a life time in all the Southern States. This eclipse will be visible throughout the United States, the eclipse being total along a path about seventy miles wide extending from Portland, Oregon, through Denver, Colorado, Jackson, Mississippi, and Orlando, Florida. In all parts of the United States it will be partial. On the central line of totality the duration of the total phase will vary from one minute and eleven seconds in Oregon. Figured from the Atlantic the phases of eclipse will occur in the nineteenth meridian time as follows:

Eclipse begins 4:35:58 p. m.
Middle of eclipse, 5:35:50 p. m.
Eclipse ends 6:42 p. m.

You Belong to Your Country.
And for your country and for your flag never dream a dream but of

serving her as she bids you, though the service carry you through a thousand hells. No matter what happens to you, no matter who flatters you, or who abuses you, never look at another flag, never let a night pass but you pray God to bless the American flag. Stand by your country and your flag as you would by your mother.

Legal Tender For Tips.

If you must tip the waiter, give him thrift stamps. If it is worth a quarter to let the doorman check your hat, give him a thrift stamp. On the New York, New Haven & Hartford Railroad, where bridge and bid whist are popular with commuters, they pay their card debts with thrift stamps. The trainman, instead of getting the usual quarter for "loaning" the cards and board, get a thrift stamp in payment. A Wall Street broker pays for his shoe shines with thrift stamps even though it costs him a stamp for two shines. Another broker who was reprimanded by a policeman for speeding his automobile eased his conscience by donating a handful of thrift stamps for one of the policeman's children. There would be good support for a law making it illegal to pay tips except in thrift stamps.

Save For America.

Saving is vital to the success of the war. France has been able to make a gallant fight against Germany because her people were taught the habit of thrift. During the Liberty Loan there should be no let-up in saving, and the sales of War Savings Stamps, as was the experience in England, ought to increase.

Every time you buy a War Savings Stamp, with money you have saved, you are performing a patriotic service. The government merely asks you to lend the money and will pay you interest. In 1923 you will receive the face value in gold. Buy War Savings Stamps and help win the war.

MAY REGISTER BEFORE BECOMING OF LEGAL AGE.

Congress expects soon to adopt the resolution compelling men to register for the draft as they become 21 years of age.

Since April 1, 1918, twenty-four men who have become 21 years of age since June 5, 1917, the day of registration, or who will become 21 before June 5, 1918, have obtained marriage licenses in Hamilton County, Ohio. This is nearly 14 per cent of all applicants for marriage licenses in the eighteen days of this month and is a higher percentage than in the 18 days first in April, 1917, when applicants for marriage licenses were unprecedented. The percentage was then twelve.

For 18 days in April, 1918, there were 175 marriage licenses issued. Twenty-four were to men who became 21 since June 5, 1917, or who are still under 21.

For 18 days in April, 1917, there were 322 marriage licenses issued, mainly to men in draft age of from 21 to 30 inclusive. Of these 49 were to men 21 years of age or who would be 21 on June 5, 1917. But there were only eight under 21 to apply for a marriage license in the 18 days of April, 1917. This is only 2 1/2 per cent as compared with the 14 per cent of April this year.

Military authorities do not say that any of the marriages now being contracted by men who, under new legislation, will be included in the draft, are for the purpose of evading the draft by securing a deferred classification. They do assert, however, that it is a vain hope, if entertained by any young man, as recent rulings by the War department respecting late marriages indicate that such marriages will be disregarded in classification.

In a word, Chancellor von Hertling says that Germany must be thoroughly whipped before she will agree to the terms on which a just and lasting peace can be secured.

HOW TO AVOID BACKACHE AND NERVOUSNESS

Told by Mrs. Lynch From Own Experience.

Providence, R. I.—"I was all run down in health, was nervous, had headaches, my back ached all the time. I was tired and had no ambition for anything. I had taken a number of medicines which did me no good. One day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for women, so I tried it. My nervousness and backache and headaches disappeared. I gained in weight and feel fine, so I can honestly recommend Lydia E. Pinkham's Vegetable Compound to any woman who is suffering as I was."—Mrs. ADELNE B. LYNN, 100 Plain St., Providence, R. I.

Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Lynch's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

GETS UP READY FOR DAY'S WORK

Feels Healthy and Cheerful Instead of Run Down—Praises Tanlac.

"Instead of feeling all run down and dreading to start out for my day's work as I did just a short time ago, I now am healthy and cheerful and feel confident of myself. Tanlac is the reason," said McClellan Bread, 224 West Jefferson street, Louisville, Ky.

"My system got run down all over. I couldn't sleep at night and never got my rest as I should. I felt so bad when I got up in the morning that I just dreaded to start out for my work. I dreaded to go to bed at night, too, because I knew I wouldn't be able to sleep.

"My appetite was poor also. I didn't eat much and I guess that was why I started losing weight. I lost about ten pounds.

"In my weakened condition my work as a carpenter was a real hardship.

"Well, I started taking Tanlac. I took three bottles in all and my health is a lot better.

"I sleep soundly every night now and get good rest. I feel ready for my work when I get up in the mornings, too.

"My appetite is natural again and I've gained back most of the weight I'd lost."

Get Tanlac if you don't feel right and get your system back in shape. To feel good is the best thing on earth. You can get Tanlac at VARDEN & SON'S.

PROF. LYTLE TELLS OF MEXICAN GENERALS' DUEL.

Prof. G. Brittain Lytle, now of Manchester, where he is instructor in languages, favors THE NEWS with the accompanying account of a duel between two famous Mexican Generals. The article was translated from the original in Spanish, published in the El Heraldo, a weekly publication published in New York City:

"Exclusively for El Heraldo. 'MEXICO, FEDERAL DISTRICT April 25, 1918.—The generals, Luis Caballero and Cesar Lopez de Lara, candidates for the office of Governor of the State of Coahuila, had an encounter in the forest of Chapultepec, with pistols, which resulted in the death of the Chief of Staff of the first named. The tragedy has produced unprecedented public scandal throughout Spanish-America. Both the generals mentioned have been apprehended and released on bonds pending an investigation by the proper authority.

"The Government of the State of Michoacan announces its abandonment of Morelia, the Capital City, in view of the activities of the revolutionary forces, headed by J. Inez Chavez. The State government will be transferred to Ziahuara. The press holds this to be a bad augury, indicating that the rebellion in Michoacan is spreading and that the local government has not military strength sufficient to cope with and suppress it."

BACKACHE IS A WARNING.

Paris People Should Not Neglect Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Paris testimony.

Floyd H. Rankin, grocer, Lileston avenue and Lucas street, says: "I have used Doan's Kidney Pills off and on for years and have been greatly benefited. At times I have suffered severely with kidney complaint. My back often pained me and was lame most all the time. The kidney secretions were too frequent in passage and greatly annoyed me. Whenever I have been this way, a box of Doan's Kidney Pills has never failed to cure me of the attack in short order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rankin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

Mr. R. F. Clendenin, Associate General Agent of the Northwestern Mutual Life Insurance Co., who is one of the foremost in the contest with the 6,400 agents in the U. S., to write more insurance than any of them during the year, which ends June the 1st, has received the letter below in regard to the Marathon Race. We hope Mr. Clendenin, who is an untiring worker, will succeed in bringing the honor to Bourbon county of having sold more insurance in the Northwestern than any of the agents in the county. The letter is as follows:

"Mr. R. F. Clendenin,
Paris, Ky.
My Dear Roy:
You have slipped back to third place. No doubt because of the few days you were absent. The race, however, is so close and you are going so strong that you can overtake the leaders by being on the go every minute.

"Bringing to Kentucky the honor of winning the Marathon Race is all of your friends in this agency are interested in. It has gone beyond that. My Weekly Bulletin goes to a good many General Agents, and these men who are friends of yours and mine, as well as quite a number of the Home Office officials, are intensely interested in the outcome.

"The race is won at the finish. You and I have issued the challenge. It means too much to me for you to lose; therefore, stay right on the job, knowing that all of your friends in this, as well as other general agencies are with you, also the Home Office officials.

Sincerely yours,
"C. D. RODMAN,
General Agent."

He will be remembered here as the son of the late Robert Anderson Rose and Mrs. Mary King Rose, formerly of this county. . . . Mrs. S. F. Sprake and Miss Lula Gnadinger have returned from a visit to friends in Paris. . . . Mr. and Mrs. J. W. Daltzell attended the funeral and burial of their nephew, Elgin Daltzell, at North Middletown, Bourbon county, Wednesday afternoon."

ENGLISH COMMANDER PAISES THE AMERICAN SOLDIERS.

Detailed reports of the participation of American engineer troops with the British fifth army during the first days of the German onslaught have reached the War Department from Gen. Pershing. "They will make splendid reading for Americans," Secretary Baker said in making the announcement. The reports tell how two regiments and a battalion of engineers, working with British forces, consolidated and held a sub-sector of the British line from March 26 to April 3 against repeated German assaults. The text of the message from Gen. Rawlinson, the British commander, to Gen. Pershing highly praising the Americans is given. The engineers fought under their own officers. They lost two officers killed and three wounded, twenty men killed and fifty-two missing, some of whom probably will be found with British organizations.

Is Your House Staying Young?

Every sensible man wants his house to stay young—to look fresh, bright, and new, unmarked by time or weather.

Houses grow old and look old through being neglected. Paint keeps new houses from looking old and losing value, and gives new life to old houses. To freshen up your house and keep it young, use paint made of

Dutch Boy Anchor Brand White-Lead

thinned with pure linseed oil. Such paint costs no more than some paints which are not all-lead.

We have the right remedy, if your house, your barn, or your garage is not looking as young as it should. Come in and let us show you our complete and up-to-date stock of paints, varnishes, brushes, and all paint accessories.

Artillery Recruiting Officer Gets Many New Men During Past Week

Corporal John A. Nichols, United States artillery, of the army recruiting station in Roanoke, is daily gathering recruits to the aid of General Pershing, and is loud in his praise of the patriotic spirit of the young men of this city, so many of whom have volunteered their services without waiting to be drafted.

Corporal Nichols is again in the pink of condition, and hopes soon to be sent overseas. He yesterday said: "I am feeling fine again. I was suffering from general debility and was badly run down. I had no appetite, my blood was in poor condition. I was as nervous as could be and could not rest well at night."

"Fortunately, a druggist friend of mine recommended that I take A-I-M, and consequently I am to-day as fit as ever, and have the same old 'pep' to my step."

"I take pleasure in making this information public for the good of the service—in that it may be the means of qualifying many young men who are anxious to do their bit, but who are at present unfit physically."

"Acid Iron Mineral is a wonderful

tonic. I began to increase in weight and strength almost immediately, and it has put good color back into my cheeks again."

Corporal Nichols' statement is similar to that of thousands of other people throughout the country, who, during the past thirty years, have testified to the merits of this natural mineral iron.

If you are run down, anaemic, worn out, lack bodily vigor, sleep poorly, have no appetite or lack weight—go to your regular druggist and get a bottle of Acid Iron Mineral. Try it a week or two. Then, if it hasn't made a new man of you return the bottle and your money will be promptly refunded.

Or, better yet, ask the advice of your family physician. See what he has to say of A-I-M, and be guided by his judgment.

Acid Iron Mineral is on sale by all progressive druggists in the United States, Canada and Great Britain. The Brooks & Snapp Drug Co., wholesale distributors for Paris and vicinity. (adv)

STOCK, CROP, ETC.

A. Thomason, of near North Middletown, shipped two carloads of hogs to the Cincinnati market; Mr. Henry S. Caywood, of near North Middletown, sold to Dr. J. Miller Bayne, of Waynesboro, Ala., a five-gaited chestnut gelding, the one which has been shown by McCray Bros. this season, for a fancy-price. The gelding has won a number of premiums in saddle, harness and combined classes.

MAN, 69, FINISHES COURSE FOR U. S. SEAMAN.

Edward P. Weaver, formerly of Bangor, Me., claimed the distinction of being the oldest officer yet graduated from the free Government navigation schools conducted by the United States Shipping Board recruiting service. He is 69 years old.

Mr. Weaver, who had many years' experience as a seaman, decided while at New Orleans some weeks ago to enter one of the schools and train for a deck officer for the merchant marine. He passed the rigid physical test without difficulty and completed his course.

The German invasion of Russia took the Bolsheviks by surprise, but it was what everybody else was looking for.

I BELIEVE

I believe that I am right in the conclusion that thinking people do not want bargain glasses any more than they would want nature to endow them with a bargain pair of eyes.

My work is, and always will be just as good as I know how to make it. I must give satisfaction in order that my business may grow.

If you will favor me with your patronage, I will see to it that you only pay a fair price and I will also promise you satisfaction, so much so that you will not hesitate to recommend me to your friends who are in need of eye help.

DEATHS.

McDOWELL.

The funeral of Mrs. Maria C. McDowell, aged sixty-six, who died at her home on Nineteenth street, in this city, Monday evening, was held Wednesday afternoon at two o'clock, with services conducted at the grave in the Paris Cemetery by Rev. W. E. Ellis, pastor of the Paris Christian church. The pall-bearers were: Dr. Wm. Kenney, J. W. Muir, W. S. Patton, Leonard Watson, Jas. Fitzgerald, Walter Page.

Mrs. McDowell was the wife of Mr. Leroy McDowell. Her death was directly due to an attack of heart trouble, from which she had been a sufferer for some time. Besides her husband she is survived by one son, Mr. C. O. McDowell, of Dayton, Ohio.

LENIHAN.

The funeral of Mrs. Hannah Lenihan, aged eighty-three, who died Monday night at the residence of her daughter, Mrs. Martin Doyle, of a complication of diseases, was held at the Catholic church Wednesday morning at nine o'clock with services conducted by Rev. Father Eugene DeBruyn. The interment followed in the Paris Catholic cemetery. The pall-bearers were George Doyle, E. M. Costello, Emmett Coons, George Glass, Wm. Grannan, James Higgins.

Mrs. Lenihan is survived by three daughters, Mrs. Martin Doyle, Mrs. Ellen Mahoney and Miss Kate Lenihan, all of this city. She had a large circle of friends in this city and county, who regret her passing away. Previous to coming to Paris to reside, Mrs. Lenihan had made her home in North Middletown.

DALZELL.

The funeral of Elgin Dalzell, the first Bourbon county boy to die in the service during the present war, was held Wednesday afternoon at two o'clock, with services conducted at the grave in the North Middletown Cemetery by Rev. F. M. Tindler, pastor of the North Middletown Christian church, assisted by Rev. Ward Russell.

The active pall-bearers were Jos. Hopkins, Ivan Soper, Chas. Hopkins, Jos. Thompson, Clarence Ralls and Troup Clark. The honorary pall-bearers were members of the North Middletown and Little Rock Masonic orders.

The body, wrapped in a large American flag, arrived here Monday from Philadelphia, accompanied by his father, Mr. Clifton Dalzell. The funeral was in the nature of a military one, as a tribute to a fine young man who had given his life to the cause. The attendance at the funeral is said to have been the largest ever noted in North Middletown.

ROGERS.

The funeral of Mr. Harvey A. Rogers, whose death last Sunday was noted in THE NEWS' issue of Tuesday, was held Tuesday afternoon at two o'clock, at his residence near Wade's Mill, in Clark county. Services were conducted by Rev. F. M.

Tindler, pastor of the North Middletown Christian church. The burial followed on the family lot in the North Middletown Cemetery.

"AND THE FEMALE IS DEADLIST OF THE SPECIES."

President Wilson, by a proclamation issued Saturday, placed German and Austrian women in the United States under the same restrictions as have prevailed for male enemy aliens. These restrictions are applicable only to women more than 14 years old, who have not been naturalized by their own or their male relatives' declarations of citizenship. German women have been ordered to leave the District of Columbia.

In line with the President's policy of leniency toward male subjects of Austria-Hungary, the women of this nationality will be subject only to the general danger of being interned if they prove dangerous.

SOLDIERS EN ROUTE SOUTH PASS PARIS.

A special train of twelve day coaches, baggage and dining cars, en route from a Northern cantonment to a military camp somewhere in the South, passed through Paris Wednesday morning.

The soldiers were members of a Wisconsin regiment, largely recruited from Milwaukee, and were full of enthusiasm and a desire to "go over yonder" and get "Bill's" goat. While many of them told of the place of their departure and their ultimate destination, censor regulations forbid their publication as a matter of public policy.

One of the men made the remark, as he gazed woefully at a battered old sign on a warehouse advertising a certain well-known Milwaukee liquid: "Well, fellows, that's as close as we will ever get to it again. The furrer South we goes the dryer it gets."

Yesterday morning another long train, a special, carrying twenty coaches, passed through Paris, from a Northern point, its destination being somewhere in the South. The coaches were filled with a cheering, enthusiastic crowd of soldiers, who made themselves at home while here.

On one of the coaches, a big placard had been hung from one of the windows. It bore the legend: "Oh, People, We Are On Our Way To Lick the Kaiser, and We Are The Boys Who Can Do It!" One of the soldiers, as he strolled along the platform, remarked, "From Paris, Kentucky, to Berlin. That's where we're going, sure!" As the train pulled out lusty voices were heard singing, "Over There."

PROJECT TO RESURFACE PROMINENT RESIDENCE STREET.

If plans now being considered by residents of Duncan avenue, one of the most prominent residence streets in Paris, are completed, that street will be resurfaced at an early date with asphalt, in order to reduce to a minimum the dirt and dust nuisance, which is sure to prevail this summer.

An expert engineer from Lexington was here Wednesday and submitted an estimate of the probable cost of the work, with a view to having the property owners on that street bear their proportionate share of the cost of reconstruction. The matter has been left in charge of Mayor January. It is the opinion that if the work is gotten under way other streets in the city will take on a like improvement in the same manner. The material to be used has been recommended on account of its permanency.

Ed. THE NEWS, Paris, Ky.

"Dear Sir—I want you to know that I, personally, appreciate the splendid and generous manner in which you are handling Liberty Loan publicity—not only local publicity, but that which I have sent to you. There is no doubt that what you have done has been of material assistance in the sale of the Third Liberty Loan Bonds.

"If you have any suggestions to make I shall be more than glad to have them.

"Very Truly Yours,
"M. H. LAUNDON,
"Publicity Secretary."

GREATLY SURPRISED THAT EDITOR SHOULD HAVE MONEY.

In a recent issue of the Stanford Interior Journal, Editor Saundey has the following regarding Editor Alverson, who purchased the Wm. H. Whaley farm near Paris:

"News comes that Editor Jesse M. Alverson, of the Georgetown News, has just bought a 330-acre farm in Bourbon county for \$68,000. This is good news to the writer, who in his earlier days in the newspaper business had Mr. Alverson on his pay roll, and who proved a most efficient and reliable employee. As full of energy as an egg is of meat, with the ability to see as deep into the millstone as the man who picks it, and a hustler in all the word means, we are not surprised at his success, but we never dreamed that he was getting so rich—\$68,000! Just think of a newspaper man having that much money. Truly the day of miracles has returned."

OLEIKA TEMPLE TO MAKE A PILGRIMAGE.

About forty Shiners from Paris and the county will join the members of Oleika Temple, of Lexington, in a pilgrimage to be made to Covington on Saturday, May 4. The big parade will form at 1:00 p. m., at the Temple and march to the Auditorium, led by the Covington Band and Drum Corps of Oleika Temple. All Nobles must be in the parade, as you cannot get into the Auditorium until the parading Nobles have passed.

The Ceremonial Session will begin at 2:00 p. m., and the banquet will be held at the Masonic Temple at 8:00 p. m. All Nobles of Oleika Temple will be allowed railroad fare on a basis from Lexington to Covington and return. Returning trains will leave Covington at convenient hours on Sunday, May 5.

GIVEN SUSPENDED SENTENCE.

Presented before Judge Batterton, in the County Court, Wednesday, on a charge of forgery, John Morris and Dan Moore, two sixteen-year-old youths, were given a suspended sentence to the Reform School at Glendale.

THE LEXINGTON RACES.

Despite a rain, which set in during the morning, and promised to continue throughout the day, thousands of people went to the Kentucky Association track Tuesday, to witness the "sport of the Kings" at the opening day of the Lexington spring meeting. The crowd was there, with all the familiar accessories that make racing one of the greatest pleasures to its devotees. Weber's Band, of Cincinnati, rendered a fine program of classical, patriotic and popular selections throughout the afternoon, and came in for a generous share of applause. This organization is always certain of a warm welcome in the Bluegrass region.

Twenty-five pari-mutuel machines, aided by a largely augmented number of cashiers, took care of the sportively-inclined, who wanted to try out their luck, and the betting on the various events was brisk during the entire time.

Bourbon county was, as usual, well represented by the sport-loving people, who made the journey in private conveyances, by rail and by the interurban, glad to be there or get there in any kind of way.

The winners of the opening day's events were as follows:

First Race—Bradley's Choice; Second race—Billy Kelly; Third race—Violet Bonnie; Fourth race—Opportunity; Fifth race—Sewell Combs; Sixth race—Exempted; Seventh race—Redland.

The talent played their favorites heavily. The best paying betting propositions of the day were Billy Kelly, in the second race, paying \$21.30 for straight in the two-dollar mutuels. Redland paid \$10.20 for straight in the seventh race.

Wednesday saw another large attendance at the track, and the talent had a good day. The features of the day's meet were the long shot victory of Bit of Blarney, in the third race, the two-dollar mutuels paying \$294.80 for straight, and the dead heat in the fourth race between Diamond and Diversion.

The winners were as follows: First race—Squealer; second race—Henry Roberts; third race—Bit of Blarney; fourth race—Diamond and Diversion (dead heat); fifth race—Petrovan; sixth race—Fern Handley; seventh race—Yenghee.

W. C. T. U. CONVENTION.

The annual convention of the Seventh District W. C. T. U. opened its sessions in Lexington yesterday at First Methodist church. The business sessions are presided over by Mrs. Julia Gunn, of Lexington. Delegates from Paris, Millersburg, Little Rock, North Middletown and Spears Mills Unions are in attendance.

The convention will be in session again to-day. Bourbon county delegates will participate in the program as follows: "The Story of the Year"—Mrs. Gertrude Henry, president North Middletown; Mrs. Wm. Myall, president Paris; Mrs. W. T. Mitchell, president Spears Mill; Mrs. J. D. Redd, president Millersburg; Mrs. Edsell Clark, president Little Rock. The praise service at the opening of the afternoon session will be led by Mrs. J. D. Redd, of Millersburg.

Hundreds of Chinese perished recently at a race track when the stands collapsed. This will convince many people that racing is wrong.
